

## NEWSLETTER MARCH 24-28, 2014

HI FAMILY,

Can you believe it is Spring? Now if we can just have warm weather consistently. It has been so wonderful seeing First Grade lead the community in prayer, presenting their Science projects with knowledge, confidence and ease and continuing to work hard in their daily learning tasks. **THEY ARE AWESOME.** We will be exploring the weather this week. If your child has a kite and would like to give it a whirl, please send it on Friday. Please be sure it is one you do not mind having tangled, eaten by a tree or experiencing any other potential calamities. If the weather is uncooperative, which we all know is a possibility, we will move it to the next great Spring day, preferably a windy one. Thank you again for always being so supportive and responsive to their learning needs and events. **ANGEL CLAPS FOR YOU!** Please note on **MONDAY, MARCH 24**, all students should wear their dress uniforms. We will be taking group and club pictures.

On Wednesday, March 26, First and Second Graders will be assisting at Mass. Please be sure students are in dress uniforms on this day as well. As you know, during Lent, we pray, sacrifice and give alms more. Please invite your child to do a special chore, give up a Happy Meal or candy, and share that money earned or not used on something they want to help a neighbor in need. Sr. Agatha, who was a Daughter of Charity here at the school many years ago, served on the HFH Board and made certain our students knew what this organization was all about. Even in her last days on this Earth, she managed to collect \$65 dollars from

her hospital room from her visitors alone. She made her last donation to HFH the last Lent of her life. What dedication and true example of following Jesus even when it's hard and you have problems of your own. She truly was a Saint - In - The - Making. Please take time to view some of the information on the HFH website or Youtube (always preview) with your child. Thank you. Challenge - How much would a window for Habitat cost? a front door? porch lights? Nails? Anything else you feel a house needs? If you wish to empty your bank, please bring it in on Wednesday for the Offertory. Thank you!

Ready for some great American fun, food and fellowship? Please join us for the Annual Auction this Saturday! You will be so glad you did. This is however an adult only event. Please line up your baby sitters, grab a few family and friends and come. You don't have to buy anything to have a great time.
